Re: Completion of Term of Supervised Release

Francisco S. Pangelinan was sentenced on October 15, 1998 for Distribution of Methamphetamine Within a Thousand Feet of a School Zone, in violation of 21 U.S.C. §§ 841(a)(1) and 860. He was ordered to serve a term of imprisonment of twelve months and one day, followed by a 72 month term of supervised release with conditions to include: that he not commit another federal, state, or local crime; that he comply with standard conditions of release; that he not possess a firearm or dangerous weapon; that he not possess, distribute, or administer any controlled substances; that he submit to drug testing under the direction of the U.S. Probation Office; that he participate in a treatment program for narcotic/drug/alcohol abuse; and that he gain and maintain employment. He was further ordered to pay a \$6,000 fine and a \$100 special assessment fee. He has been on supervised release since October 13, 1999.

Mr. Pangelinan has substantially complied with the conditions of his supervised release. He completed substance abuse treatment and during his six year term of supervised release, he consistently tested negative for illicit substances. He is gainfully employed as the owner of Da Place Sports Bar and makes \$100 monthly payments towards his fine obligation. His balance, as of October 12, 2005, remains at \$2,315.00. Mr. Pangelinan paid his special assessment fee on October 22, 1998. On February 10, 2003, he was sanctioned for failure to submit timely monthly supervision reports to his probation officer and failure to make fine payments. He was ordered to complete 100 hours of community service, which he satisfied on January 23, 2004. On May 25, 2004,
